ACCELERATED BS ACCOUNTING/MASTER OF TAXATION

The Accelerated BS Accounting/Master of Taxation program, the only one of its kind in the State of Ohio, offers students who wish to pursue a professional career in taxation the opportunity to complete both the BS Accounting (BSA) and Master of Taxation (MTax) in 150 semester credit hours. Students who complete the program are eligible to sit for the CPA examination in the State of Ohio and many other states. In addition to a broad undergraduate degree in accounting, Accelerated BSA/MTax students develop substantive technical and professional knowledge needed to function as taxation specialists in the United States.

The University of Akron also offers the highly attractive joint JD/MTax degree. This means that students with an interest in law will have the option to combine the Accelerated BSA/MTax with the JD. With careful planning students may be able to complete the JD/MTax in as little as three years beyond the BS Accounting degree. An outline of the Accelerated BSA/MTax curriculum appears below. Because graduate taxation courses are offered only once per academic year, students must follow that outline in order to graduate in a timely manner.

Features of the MTax program include course taught by experts with significant tax experience, emphasis on tax practice, courses meet during the evening, and exceptional reputation among employers. Graduates of the program are highly recruited.

Eligibility requirements for graduate portion of BSA/MTax:

- Completion of an internship in taxation or equivalent.
- Earn an overall GPA of 3.0 or higher in accounting courses, in business courses, and in all University of Akron courses.
- Apply and be accepted into Graduate School no later than the middle of the spring semester of the senior year.
- The GMAT is not required for students who satisfy the other Accelerated BSA/MTax admission requirements.

Program Structure - 30 credits

Spring Year I
- 6200:632 Taxation of Transactions in Property (3 credits)
- 6200:641 Taxation of Partnerships (3 credits)
