## Master of Business Administration (MBA) Program

The University of Akron College of Business is one of the highest ranked and most affordable MBA programs in Northeast Ohio. It is designed with you in mind. Classes are taught in two eight-week sessions per semester, which can allow working professionals the opportunity to take two classes per semester while only having to focus on one class at a time. Choose your time frame, as little as one year full-time or up to six years if part-time better fits your needs.

UA's MBA (<https://www.uakron.edu/cba/graduate/programs/interdisciplinary-mba/>) is designed with interdisciplinary skills and a strategic approach to ensure that our graduates are ready to elevate their careers and lead any organization. Our MBA is offered in both 100% online and evening formats, by the same College of Business faculty regardless of which format you choose.
