JOINT DEGREE PROGRAMS

Additional MBA Program Information (https://bulletin.uakron.edu/graduate/colleges-programs/business-administration/mba-additional-information)

Joint Programs

The School of Law and the College of Business Administration (CBA) offer a joint program in legal and administrative studies (JD/MTax), a joint program in legal and taxation studies (JD/MTax), and a joint program in legal and accounting financial forensics (JD/MSA). These combinations are open to the student preparing for a career in such areas as corporate law, tax accounting, or legal practice in government. The amount of time required to complete a joint degree program is shorter than the time required to complete both programs independently. To pursue either one of these cooperative programs, the student must apply to and be accepted by both the School of Law and the Graduate School. The student should contact each school independently for information covering admission criteria and procedures (for further information on School of Law admissions, write: Director of Admissions, School of Law, The University of Akron, Akron, OH 44325-2901; for further information on College of Business Administration admissions, contact Graduate Programs in Business at (330) 972-7043 or gradcba@uakron.edu). A baccalaureate degree is required.

Degree Requirements

A student is required to fulfill the requirements of the School of Law, 87 credits, which includes up to ten credits transferred from the CBA. The requirements of the CBA may be met by fulfilling the requirements including the common body of knowledge (Gateway) courses (unless waived because of prior undergraduate credits earned), and 27 credits for MBA advanced courses in the CBA plus nine credits transferred from the School of Law. The Master of Taxation program consists of 21 credits of advanced courses in the CBA plus 9 credits transferred from the School of Law. The reciprocal acceptance of course credits by each school is the essence of the joint programs. All law courses used to fulfill CBA requirements must be approved by the director of Graduate Programs in Business prior to completion. To earn both degrees, a total of 98 (JD/MTax), 105 (JD/MBA), or 142 (JD/MSA) credits is required, depending in the essence of the joint programs. All law courses used to fulfill CBA requirements must be approved by the director of Graduate Programs in Business prior to completion. To earn both degrees, a total of 98 (JD/MTax), 105 (JD/MBA), or 142 (JD/MSA) credits is required, depending on the master's program pursued. More credits may be required for the master's degree if Gateway or Foundation courses are required.

Upon the approval of the Director of Graduate Programs in Business, up to nine credits of School of Law courses may be transferred to the Masters of Taxation degree. 9200:641 Corporate Taxation I (3 credits) and other courses offered in the School of Law as approved by the School of Accountancy and the MTax Program Coordinator may be applied to the MTax program.
