MANAGEMENT, BUSINESS ANALYTICS - SUPPLY CHAIN CONCENTRATION, MSM

The Master of Science in Management, Business Analytics - Supply Chain Concentration allows students to concentrate their study of Business Analytics within the foundation of Supply Chain Management. Because of the complex nature of the MS Management specializations, they typically go beyond optional concentrations in traditional MBA programs. They are designed for individuals who know what they want to do or to help them apply what they already know more effectively. The 30 credit program includes the Business Analytics, which is 15 credits, the Supply Chain core which is 9 credits, and six credits of electives. Students may waive the GMAT requirement if they have an acceptable TOEFL or IELTS score and have two years of documented business experience. Full-time students are required to enroll in an internship or Co-Op in their first semester.

Admission Requirements
- Graduate School application and fee
- Official transcripts from each institution attended
- GMAT (https://www.mba.com/) (score of 500 or better preferred), GRE (https://www.ets.org/gre/), LSAT (https://www.lsac.org/lsat/), PCAT (http://pcatweb.info/), or MCAT (https://students.residents.aamc.org/applying-medical-school/taking-mcat-exam/) scores. A test waiver may be approved based on prior advanced degree or three or more years of work experience. Consult with the CoB advising office for more information on waivers.
- Undergraduate degree from a regionally accredited institution or international equivalent
- Letter of Intent
- Resume

Application Deadline
- August 1 for Fall enrollment
- December 1 for Spring enrollment
- May 1 for Summer enrollment

International Student Applications
I-20 forms used for visa approval are processed by UA student immigration services in the International Center: https://www.uakron.edu/international/. Proof of English Language Proficiency is required by producing an acceptable TOEFL or IELTS score.

Students currently admitted to this program may have different course requirements than those listed here. Refer to your official Program Checklist and DPR in My Akron for your program requirements.

Electives
Any graduate business courses for a total of six credits. Full-time students are required to enroll in an internship or co-op in their first semester.

Total Hours 30

Admission Policy
To be considered for acceptance to one of the graduate programs in the College of Business (CoB) at The University of Akron, the following admission criteria are examined:

- A preferred minimum of 3.0 GPA, on a 4.0 scale, from an accredited undergraduate program.
- For those that have lower than a 3.0 GPA, individual consideration may be made based upon the GMAT, GRE, or equivalent scores.
- For those that have a 3.0 GPA or higher, but lack three years of work experience, a GMAT score of 500 or higher is preferred to indicate potential success in the graduate program.
- Admittance without a GMAT test requirement may be granted to those holding a graduate degree from an accredited university or those with three or more years of professional work experience beyond the earned bachelor's degree.
- Applicants holding a degree from outside the United States and with an academic standing of first or high second class, satisfactory evidence of competence in English (i.e., TOEFL score of 79 or above or IELTS score of 6.5 or above) is required.
- In all situations, when the graduate committee has reservations about the potential success of a candidate, a GMAT score may be required.
- For those that are admitted on a provisional basis (less than complete acceptance), the course grades and overall GPA will be examined to determine if the student may continue with graduate coursework.

Even though an applicant is eligible for consideration, an offer of admission is not guaranteed. Since staff, facilities, and resources are limited, a determination will be made to the number of applicants that can be adequately served among those eligible for admission. As a result, offers of admission may be limited to only the most qualified of eligible applicants as determined by the College of Business Graduate Committee. The committee considers the following factors: difficulty of the applicant’s undergraduate program, length of time and activities since graduation; and the percentile ranking on standardized entrance exams (e.g., GMAT, GRE, etc.).

Those applicants previously denied admission may, upon presentation of new information, be reconsidered. The applicant must petition the College of Business Graduate Committee in writing and provide those reasons relevant to the situation which demonstrate the likelihood of success. In all cases, the burden of proof is on the applicant.
Under the regulations of the Graduate School, eligible applicants who have been extended an offer of admission by the CoB Graduate Admissions Committee are recommended to the Dean of the Graduate School for either “full” or “provisional” graduate status. Students admitted with “provisional” status who have not attained an overall 3.0 GPA upon completion of 12 graduate credits will be dismissed from the program. Official admission decisions will come from the Dean of the Graduate School.

**Procedure**

All official test score reports should be sent to the Graduate School. The GMAT is administered world-wide and the applicant should register for it sufficiently in advance to the filing of the graduate application to avoid delay of evaluation of the application for admission. Those who have test scores more than five years old are normally required to retake the exam. GRE and other tests scores should also be sent to the Graduate School as outlined above.

The CoB Graduate Admissions Committee meets monthly and considers all completed applications on hand at the time of each meeting. Applicants will be informed of admission decisions once the Dean of the Graduate School has acted upon the recommendation of the CoB Admissions Committee.

**Degree Requirements**

To be awarded any master’s degree from the College of Business, a student must:

- Meet the time and grade-point requirements of the Graduate School.
- Complete the minimum credits in each of the degree program descriptions.
- Complete all course and program requirements of applicable master’s program.

Questions regarding these Policies, Procedures, and Requirements may be sent via e-mail to gradbusiness@uakron.edu (grad.cba@uakron.edu). Further information may be found at the College of Business website: https://www.uakron.edu/cba/.

**Transfer Policy**

The College of Business will permit up to one-third of program credits of comparable graduate credits to be transferred in a graduate business program. These credits must be pre-approved by the CoB Director of Graduate Programs. This policy also applies to those students pursuing additional graduate degrees.

**Additional Degrees**

For a student who has already obtained one master’s degree in business, it is possible to pursue another degree in the college provided that:

1. The program must be unique from the earlier degree program(s).
2. The desired program (degree requirements) is specifically approved in advance by the CoB Director of Graduate Programs; and
3. No fewer than 20 new credits are earned for the second degree.

**Graduate Internships**

It is preferred that all full-time CoB graduate students without extensive work experience participate in an internship to gain practical experience in the field of study. The internship may be paid or unpaid. Students admitted to programs requiring internships must participate in an internship as outlined in the program requirements.
