MBA GLOBAL TECHNOLOGICAL INNOVATION CONCENTRATION

Additional MBA Program Information (https://bulletin.uakron.edu/graduate/colleges-programs/business-administration/mba-additional-information)

In a highly inter-dependent global economy technological innovations are emerging as the disruptive drivers of enterprise growth and survival. In this program students explore technology and innovation as a value adding system. This will prepare them as a valuable resource to help small, medium, and well-established large enterprises to launch their product, process, and service innovations faster. The program also prepares students to plan and launch new ventures and enterprises based on innovations.
