Total credits required: 30 credits

The Principalship Licensure Program is an option in educational administration designed to prepare a candidate for an Ohio license to practice as a school principal and is built on two components: the Principalship master’s degree and those post-master’s courses listed below.

The Principalship master’s degree program and the post-master’s licensure courses have been aligned with the Educational Leadership Constituents Council (ELCC) standards specific key assessments embedded in coursework and must be completed to demonstrate that students meet these standards.

Post-Master’s Licensure Courses – 12 credits

• 5170:602 Management of Physical Resources (3 credits)
• 5170:603 Management of Human Resources (3 credits)
• 5170:695 Principal Internship (3 credits)
• 5170:696 Principal Internship (3 credits)

To obtain a license to practice the work of a school principal through the College of Education, the candidate will have a total of 42 post-baccalaureate hours, a master’s degree, completion of a supervised two-semester internship in the area in which the candidate seeks the license, and successful passage of the state licensing examination.
