

# COLLEGE OF HEALTH AND HUMAN SCIENCES

---

The College of Health and Human Sciences is comprised of seven schools that encompass different aspects of the healthcare spectrum. The schools are Allied Health, Counseling, Disaster and Emergency Services, Exercise and Nutrition Sciences, Nursing, Social Work and Family Sciences, and Speech-Language Pathology and Audiology.

The College of Health and Human Sciences brings an interprofessional educational and collaborative approach to health care. This bold new approach significantly improves patient outcomes as doctors, nurses, dietitians, social workers and other health providers work together to treat the whole patient.

Students work side by side with talented and caring faculty members and professionals throughout the community and benefit from close college ties with health systems such as the Cleveland Clinic Foundation, Summa Health System, Akron Children's Hospital. The college focuses on graduating students prepared to excel as professionals in an evolving health care environment.
