

CHILD AND ADOLESCENT HEALTH NURSING-ACUTE CARE, CERTIFICATE

The ten credit hour Post-MSN Child and Adolescent Health Nursing-Acute Care certificate program is designed for those primary care pediatric nurse practitioners who hold an MSN and a national certification as a pediatric nurse practitioner and are seeking preparation for the acute care pediatric nurse practitioner role. Post MSN students will be assessed on an individual basis and may be required to complete additional courses from the Child and Adolescent Health Nursing track in order to achieve the competencies required to sit for certification as a pediatric acute care nurse practitioner.

Admission Criteria

- Current unrestricted State of Ohio APRN license with national certification in Pediatrics.
- Hold an MSN degree from a professionally accredited nursing program.
- Minimum of a 3.0 GPA on a 4.0 scale for the master's degree program.
- A minimum of one year of clinical experience in a pediatric setting.
- Complete an interview with the program coordinator.

Program of Study

Code	Title	Hours
NURS:685	Child and Adolescent Health Nursing - Acute Care III	3
NURS:686	Child and Adolescent Health Nursing - Acute Care III Practicum	2
NURS:687	Child/Adolescent Health Nursing-Acute Care IV	3
NURS:688	Child and Adolescent Health Nursing-Acute Care IV Practicum	2
Total Hours		10

Each practicum course requires 150 hours of supervised clinical practice.

Nurse practitioners in other areas of practice will be assessed on an individual basis through a gap analysis, and may be required to complete additional courses from the Child and Adolescent Health Nursing track in order to achieve the competencies required to sit for certification as a pediatric acute care nurse practitioner.
