

NUTRITION CENTER

The University of Akron Nutrition Center is a comprehensive regional center for the study and delivery of effective nutrition interventions. It provides the needed link between UA nutrition expertise and the extensive preventative health care needs of the campus and surrounding community. The Center offers services to students, faculty, staff employees of The University of Akron and communities in Northeast Ohio. The Nutrition Center provides nutrition assessment and counseling, medical nutrition therapy, computerized menu and food intake analysis, food systems management services, and individual and group nutrition education services.
