Title IX

To ensure compliance with Title IX and other federal and state civil rights laws, the University has a designated University Title IX Coordinator. The coordinator is charged with monitoring compliance with Title IX and ensuring that reports of sex discrimination, sexual harassment and sexual violence are investigated and addressed by the University.

Any student, faculty or staff member with questions or concerns about the applicable University policies or who believes that he or she has been the victim of sex discrimination, sexual harassment or sexual violence is encouraged to contact The University of Akron's Title IX Coordinator.

Services and support for branch campuses are integrated. Students attending classes at branch campuses including The Wayne College and the Medina County University Center are provided the same support and resources as all University of Akron students and are welcome to seek services at whichever location is most convenient.
