### Program Information

The Criminal Justice Studies Associate of Arts degree provides a core foundation in policing, courts, law, and corrections for students new to the field, as well as for those employed as criminal justice professionals. The program features general education courses and a wide variety of electives allowing students to tailor the degree to a specific career path or interest.

### Career Information

- Police Officer - Additional training is required. See your advisor for more information.
- Court Services Officer - also referred to as bailiffs, court services officers provide police services to the courts. They handle security issues and physical disturbances that take place within the courts.
- Parole Officer - Supervises offenders who have been released from jail or prison. Oversee community service or work responsibilities. Oversee recently-freed inmates.
- Probation Officer - Probation officers supervise offenders who are awaiting trial, or serving a sentence in the community, rather than in jail or prison.
- Private Investigators work in the private sector or in police departments. Additional training and certification may be required.
- Crime Scene Technician
- Crime Intelligence Analyst
- Please visit the Bureau of Labor Statistics for updated information <http://www.bls.gov/>
