

LINGUISTIC STUDIES, CERTIFICATE

Certificate in Linguistic Studies (330008C)

Completion of five linguistically oriented courses is required as follows: the foundation course, two core courses and at least two elective courses. Three or more of the courses must be at the 300/400 level. (Subject to approval by the program director, other theoretically oriented linguistics courses may substitute for core courses.)

To obtain the certificate, a student must have at least two semesters of language. A student entering the program should discuss plans with the director.

The following information has official approval of **The Department of English** and **The Buchtel College of Arts & Sciences**, but is intended only as a guide. Completion of this certificate is contingent upon many factors, including but not limited to: class availability, total number of required credits, work schedule, finances, family, course drops/withdrawals, successfully passing courses, prerequisites, among others.

The following courses constitute a "Certificate in Linguistic Studies" and must be completed with a minimum grade point average of 2.0 overall for the certificate to be noted on the student's record. To obtain the certificate, the student must have at least two semesters of a second language. A student entering the program should discuss plans with the director. Completion of six linguistically oriented courses is required as follows: the foundation course, two core courses and at least three elective courses. Three or more of the courses must be at the 300/400 level.
