

PHILOSOPHY, BA

Bachelor of Arts in Philosophy (360000BA)

More on the Philosophy major (<https://www.uakron.edu/philosophy/academics/philosophy-ba-degree.dot>)

Philosophy students acquire knowledge and skills that can apply to a wide range of fields. Among these are critical thinking and analytical reasoning skills, decision-making skills, the ability to communicate effectively and to make ethical judgements, and the ability to apply knowledge and skills to real-world settings. Philosophy places the greatest value on demonstrated proficiency that cuts across all majors. As a result philosophy graduates achieve long-term career success.

Philosophy graduates often continue their education in graduate, law, or med programs, or obtain positions in wide variety of fields, including education, publishing, marketing, consulting, government, environmental management, public administration, foreign services, law and law enforcement, human resources, insurance, libraries, and religious or social service areas.

The following information has official approval of **The Department of Philosophy** and **The Buchtel College of Arts & Sciences**, but is intended only as a supplemental guide. Official degree requirements are established at the time of transfer and admission to the degree-granting college. Students should refer to the Degree Progress Report (Stellic) which is definitive for graduation requirements. *Completion of this degree within the identified time frame below is contingent upon many factors, including but not limited to: class availability, total number of required credits, work schedule, finances, family, course drops/withdrawals, successfully passing courses, prerequisites, among others.* The transfer process is completed through an appointment with your academic advisor.

Three year accelerated option: for first time students who have earned credits for at least the first year of courses. Credits can be earned through qualifying scores on appropriate Advanced Placement (AP) exams or through College Credit Plus Program (CCP) courses. Credits for qualifying AP scores or CCP courses are determined by the appropriate academic department. Departments may assign varied course credit, depending on the student's score on an AP exam or grade in a CCP course. Students may also receive credit by examination or via placement tests, where appropriate.
