ACCOUNTING, BS

Bachelor of Science in Accounting (620000BS)

More on the Accounting major (https://www.uakron.edu/cba/undergraduate/majors/accounting.dot)

The George W. Daverio School of Accountancy prepares students to become competent and responsible accounting professionals and business leaders. Accounting is essential for planning, decision-making, control and performance evaluation in all types of organizations, including business, government and non-profit entities. An accounting major offers a wide range of opportunities for future success as a professional. Professional certification is vital for accounting professionals. The School of Accountancy’s undergraduate accounting degree prepares you to pursue certifications such as certified public accountant (CPA), certified management accountant (CMA), certified internal auditor, and certified information systems auditor.

College of Business Undergraduate Programs
http://www.uakron.edu/cba/uadvising *(330) 972-7042 * College of Business room 260

The following information has official approval of The George W. Daverio School of Accountancy and The College of Business, but is intended only as a supplemental guide. Official degree requirements are established at the time of transfer and admission to the degree-granting college. Students should refer to the Degree Progress Report (DPR) which is definitive for graduation requirements. Completion of this degree within the identified time frame below is contingent upon many factors, including but not limited to: class availability, total number of required credits, work schedule, finances, family, course drops/withdrawals, successfully passing courses, prerequisites, among others. The transfer process is completed through an appointment with your academic advisor.
