

ENTREPRENEURSHIP, MINOR

Minor in Entrepreneurship (630000M)

By completing the 18-credit Entrepreneurship minor, any student at The University of Akron can acquire entrepreneurial skills to help start or buy a small business, work for a fast-growth business, family business, franchise, or non-profit. This program already has produced several new and successful businesses and has assisted in the growth of a variety of small businesses. Numerous enterprises have been created and built through this nationally recognized program.

Requirements for Admission

Enrollment in a 4 year degree granting major.

Total Hours **6**

¹ Students admitted to the College of Engineering with 48 credit hours completed are not required to take ACCT 250 as a prerequisite. MATH 145 Algebra for Calculus (or higher level courses MATH 149 Precalculus Mathematics, MATH 215 Concepts of Calculus or MATH 221 Analytic Geometry-Calculus I) is a required pre-requisite for this course. If MATH 145 has not already been taken, please consult with your academic advisor regarding placement into this course. If students do not place into MATH 145, they may be required to take additional courses in the Math sequence in order to take MATH 145. Statistics courses such as STAT 250 Statistics for Everyday Life and STAT 260 Basic Statistics are not appropriate substitutions or prerequisites for MATH 145. For more information on UA's placement testing services, please call 330.972.6511, email testing@uakron.edu or visit Schrank Hall North room 153.

² Must be admitted to 4 year degree granting major.

³ May repeat the i-Corps option up to three times
