

BUSINESS ESSENTIALS FOR ENGINEERING MAJORS, MINOR

Minor in Business Essentials for Engineering Majors (602002M)

The 18-credit Business Minor for Engineering Majors is designed to help prepare students in the College of Engineering to interact with general managers in their engineering careers, as well as to pursue advanced study in business or engineering management.

Students with an engineering major or engineering technology major are eligible to pursue this minor. To declare the minor, meet with an academic advisor in the College of Business. Please visit the College of Business advising website to schedule an appointment with an advisor.

¹ MATH 145 Algebra for Calculus (or higher level courses MATH 149 Precalculus Mathematics, MATH 215 Concepts of Calculus or MATH 221 Analytic Geometry-Calculus I) is a required prerequisite for this course. If MATH 145 has not already been taken, please consult with your academic advisor regarding placement into this course. If students do not place into MATH 145, they may be required to take additional courses in the Math sequence in order to take MATH 145. Statistics courses such as STAT 250 and STAT 260 are not appropriate substitutions or a prerequisites for MATH 145. For more information on UA's placement testing services, please call 330.972.6511, email testing@uakron.edu or visit Schrank Hall North room 153.
