

RESPIRATORY THERAPY, BS, DEGREE ADVANCEMENT PROGRAM

Bachelor of Science in Respiratory Therapy, Degree Advancement Program (279012BS)

More on the Respiratory Therapy DAP major (<https://www.uakron.edu/allied-health/respiratory-care/dap/>)

The AAS to BSRT Degree Advancement Program (DAP) is designed for National Board for Respiratory Care (NBRC) credentialed Registered Respiratory Therapists (RRTs) currently holding an Associate of Applied Science degree in Respiratory Care desiring to complete their Bachelor of Science in Respiratory Therapy degree. Respiratory Therapy core program courses can be completed entirely in-person, online synchronous or asynchronous. Courses will be taught in person, live-streamed, and/or recorded to meet the demands of working RRTs.

Requirements for Admission

Admission is considered for AAS graduates with at least 60 credit hours from a Respiratory Care program accredited by the Commission on Accreditation for Respiratory Care (CoARC). Students must also hold an active Registered Respiratory Therapist (RRT) credential in good standing from the National Board for Respiratory Care (NBRC). Students must earn the last 30 credit hours from The University of Akron to be considered for graduation from the Bachelor of Science in Respiratory Therapy program.

The following information has official approval of **The Department of Allied Health** and **The College of Health and Human Sciences**, but is intended only as a supplemental guide. Official degree requirements are established at the time of transfer and admission to the degree-granting college. Students should refer to the Degree Progress Report (DPR) which is definitive for graduation requirements. *Completion of this degree within the identified time frame below is contingent upon many factors, including but not limited to: class availability, total number of required credits, work schedule, finances, family, course drops/withdrawals, successfully passing courses, prerequisites, among others.* The transfer process is completed through an appointment with your academic advisor.
