The following information has official approval of **The Department of Child & Family Development** and **The College of Health Professions**, but is intended only as a guide. Completion of this certificate is contingent upon many factors, including but not limited to: class availability, total number of required credits, work schedule, finances, family, course drops/withdrawals, successfully passing courses, prerequisites, among others.

The following courses constitute a "Certificate in Home Based Intervention Therapy" and must be completed with a minimum grade point average of 2.0 overall for the certificate to be noted on the student's record. This certificate will be placed on a student's record only at the time a baccalaureate degree is awarded and only if a graduation application is submitted.
