Baccalaureate in Nursing Program (BSN) - Traditional option
The Traditional Baccalaureate program is designed for students pursuing their first degree in nursing. The baccalaureate curriculum is a six-semester sequence of courses that students take after completing University and School of Nursing prerequisites. Students have practice experiences in a variety of settings including hospitals, clinics, rehabilitation agencies, long-term care facilities, community health agencies, mental health agencies, pediatric agencies and home care settings.

Accelerated Option for the Baccalaureate in Nursing Program
The accelerated option is designed for those students with completed baccalaureate degree program and prerequisites to earn a Bachelor of Science Degree in Nursing in four semesters - one academic year and two summers.

LPN/BSN Sequence
This sequence is designed for LPNs who completed a practical nursing curriculum and licensed as a practicing LPN, as well as LPNs with bachelor's degree in an area other than nursing. The pathway provides learning activities that build on prior knowledge and experience.

RN to BSN Program
(This sequence is limited to registered nurse graduates of Associate Degree and Diploma nursing programs.)

The RN to BSN program is designed for the registered nurse with a diploma or associate degree of nursing. It is specifically designed for those who are interested in obtaining the baccalaureate degree in nursing and/or continuing on to a master's degree in nursing. The RN program consists of 31 hours of upper-division baccalaureate coursework. During the RN-BSN program, students may opt to take up to 3 graduate courses for a total of 8 credits towards their MSN. Continuation in the graduate program is predicated on meeting graduate program requirements and acceptance into the graduate nursing program.
