

CASE MANAGEMENT FOR CHILDREN AND FAMILIES, CERTIFICATE

Certificate in Case Management for Children and Families (H40202C)

This certificate program is a special course of study that can be added to any degree program. It also may be completed by non-degree students with the permission of the Director of the Center for Family Studies.

This certificate represents a concentration in theoretical and practical knowledge in collaborative cross-systems case management for children and families in the context of community-based services. This course of study promotes collaboration among disciplines and services.

Requirements for Admission

To participate in the program, the student must:

- Be formally admitted to The University of Akron as a degree or non-degree seeking student.
- Non-degree seeking students apply to the program and receive notification of admission from the Center for Family Studies.

The following information has official approval of **The Department of Social Work and Family Sciences** and **The College of Health and Human Sciences**, but is intended only as a guide. Completion of this certificate is contingent upon many factors, including but not limited to: class availability, total number of required credits, work schedule, finances, family, course drops/withdrawals, successfully passing courses, prerequisites, among others.

The following courses constitute a "Certificate in Case Management for Children and Families" and must be completed with a minimum grade point average of 2.0 overall for the certificate to be noted on the student's record.
