

WILLIAMS HONORS COLLEGE

Selective Admission

Students who have been accepted to The University of Akron, who are pursuing a bachelor's program as a full-time student, and who meet the Williams Honors College criteria may apply separately for admission to the Williams Honors College. A student may be admitted to the Williams Honors College upon graduation from high school, upon transfer from another college or university, or as a continuing student at The University of Akron.

The selective admission is based on a holistic review of each applicant's file. Submission of standardized test scores (ACT or SAT) is required. Each applicant must file an application to the Williams Honors College in addition to applying to the University of Akron and must be pursuing a bachelor's program.

First consideration will be given to students with the following academic credentials:

- 3.60 GPA on a 4.00 scale
- 27 ACT composite or 1280 SAT (total)

Other applicants, whether transfer students or continuing undergraduates, must satisfy the following:

- Grade-point average of 3.6 or above
- Completed fewer than 64 credits of college coursework

HONOR 350	Honors Colloquium: Humanities	3
HONOR 370	Honors Colloquium: Natural Science	3

Honors Research Project

Williams Honors College students are required to complete an Honors Research Project. This capstone of the WHC student's academic and pre-professional studies begins with a choice of a faculty sponsor and submission of a proposal, typically in the fall semester of their year. Students work intensively, with the guidance of a faculty sponsor, on a thesis, investigation, production, or problem of the student's choice. Students have unique opportunities to apply what they have learned and test their abilities in designing, completing, and reporting on their Honors Research Projects. Students should register for Honors Research Project course credit, totaling at least 2 credits but not more than 6 credits, in their major department.

Other Features

Scholarships

Students admitted to the Williams Honors College are eligible for academic scholarships awarded by the Office of Admissions, ranging from \$1500 to \$2000. The Williams Honors College awards the University's Prestigious Scholarships: The Lisle M. Buckingham/Orr, which provides tuition and general fees, room and board, for up to eight semesters and the Jean Hower Taber Prestigious Scholarship provides tuition and general fees, and may include room and board, for up to eight semesters. Scholarship recipients are selected based on their Honors application materials and an interview with the scholarship committee.

Honors Advising

An Honors Adviser is available to meet with Williams Honors College students. With the Honors Adviser's guidance, the student plans the Honors distribution in order to complete the Williams Honors College degree requirements. An academic adviser is also available in the student's academic college to assist with general academic advisement issues and planning coursework for the major requirements.

Priority in Registration and Residence Assignment

Williams Honors College students are among the first students to register for classes each semester. In addition, new Williams Honors College students have exclusive access to the Honors complex, which also houses the Williams Honors College offices, computer facilities, seminar, individual and group study rooms, and meeting spaces for the use of commuting WHC students.

Access to Graduate Courses

With the permission of the WHC Adviser and the graduate program instructor, a Williams Honors scholar may enroll in graduate courses for either undergraduate credit or up to 12 credits of graduate credit.

The Honors Advisory Council

Consisting of faculty representing the colleges granting the bachelor's degree and the Dean of the Williams Honors College, the Honors Advisory

Council is responsible for decisions on the definition of policies and procedures appropriate to the mission of the WHC.

Academic Standing in the Williams Honors College

An Honors student's term GPA and cumulative GPA determine whether a student is in good academic standing in the College. A student whose GPA falls below a 2.0 for any given term will be dismissed from the Honors College. Otherwise, evaluation of status is updated at the end of each spring semester. Students not in good academic standing in the College may be placed on probation or suspension, or dismissed from the Williams Honors College. Specific details on the process are found at Williams Honors College Retention (probation, suspension, and dismissal) policy (<https://uakron.edu/honors/curriculum/retention-and-resignation-information.dot>).

Honors students are also subject to University of Akron probation and dismissal policies (<https://bulletin.uakron.edu/undergraduate/important-policies/grade-policy-credit/>).

Requirements for Graduation as an Honors Scholar

- Compliance with University requirements (<https://bulletin.uakron.edu/undergraduate/important-policies/graduation-requirements/>) and major requirements
- Cumulative GPA of 3.40 or higher
- Completion of all required Honors curriculum, including the Honors Research Project, with a grade of "B" or higher.
