

FEES AND EXPENSES

Fees subject to change without notice.

Student Expenses

Following are comprehensively outlined fees for students at the University who are studying for credit and noncredit in all areas of instruction. Included also are the additional expenses required for special academic services available to students and other miscellaneous fees, such as application fees. It is the responsibility of the student to know the correct amount of all fees, including the non-Ohio resident surcharge.

In any question concerning fees, surcharges or residence, it is the responsibility of the student, parents or court-appointed guardian to furnish such proof as may be required by The University of Akron. A student who is in doubt about residency status should consult with the University registrar.

It is the responsibility of the registrar to assess fees and surcharges at the time of registration; information given by the student at that time is used in the assessment. Each registration is later audited by the University auditor, and appropriate additional charges or refunds will be made.

All fees and surcharges are due at the time of registration or on the specified fee payment deadline. The status of the student as of the opening day of the semester or session will determine the final, correct amount of fees and surcharges.

An Installment Payment Plan for tuition and fees is available to all students.

Enrollment Cancellation

An undergraduate student whose financial account shows an amount due after their assigned due dates risks having all or part of their registration for current and/or future terms cancelled; however, non-payment of fees does not guarantee enrollment cancellation. If a student

enrolls in classes and then decides not to attend, it is still the student's responsibility to drop their classes to ensure the proper credit toward fees for the term, as defined by the current refund policy.

A **full refund** of room fees and the Prepayment under the following circumstances:

- Graduation of the student from The University of Akron;
- Academic dismissal of the student from The University of Akron;
- Non-attendance or complete withdrawal by the student from The University of Akron prior to the start of the Contract term (except the advance rental payment of one hundred fifty dollars which shall be forfeited). The one hundred fifty dollar deposit be refunded for new entering students and new transfer students when notification of intent to break Contract is received prior to the fifteenth of May for

the following fall semester and the fifteenth of October for Contracts initiated for spring semester; or

- In the event mandatory or recommended participation in academic programs of The University of Akron requires the student to commute regularly beyond the Akron metropolitan area (i.e., student teaching or co-op assignments)

Once occupancy has been established (i.e. acceptance of room keys and signing occupancy document) and the student remains enrolled at The University of Akron, the student must petition for contract release and the student will only be released if able to demonstrate extenuating circumstances.

If the student is released from the contract, either by petition or non-enrollment for the then current term, the student will be subject to a refund schedule based on a percentage refund from the first day of class through the twenty-eighth calendar day. In addition, if the Student is granted release from the contract after taking occupancy during the fall term or prior to the twenty-eighth calendar day of the spring term, a cancellation fee of two hundred dollars will be charged.

Refund policy for housing charges:

- First day of class through day seven equals ninety percent refund;
- Day eight through day fourteen equals eighty percent refund;
- Day fifteen through day twenty-one equals sixty percent refund;
- Day twenty-two through day twenty-eight equals forty percent refund; and
- Day twenty-nine or after equals zero percent refund.

The housing refund date will be established based on the date that the Student officially surrenders use of the university housing and returns all appropriate keys (room and apartment keys) to university staff and satisfies university mandated housing separation requirements and procedures.

A student shall remain responsible for the full cost of the then-current residence hall Contract term if the University, at its sole discretion, terminates the contract:

- For reasons related to the orderly operation of the residence halls, or for reasons relating to the health, physical or emotional safety and well-being of the persons or property of students, faculty, staff or University property; or
- In the event that the student is dismissed or suspended from The University of Akron for disciplinary reasons in accordance with law or the rules and regulations of the Board of Trustees, or, if the student is suspended or placed on terms of disciplinary probation in accordance with law or the rules and regulations of the Board of Trustees, whereby such terms of probation prohibit the student from residing in University housing accommodations

Notice requirements. All notices of intent to break this contract must be submitted in writing to the Department of Residence Life and Housing. If the student is under the age of eighteen years, the written notification of termination must be co-signed by the student's parent or legal guardian.

No-Show Policy. The University will hold a student's assignment until close of business on Wednesday of the first week of each semester. Full veteran information can be found at the Military Services Center website (<https://www.uakron.edu/veterans/>).

PROVISIONS FOR U.S. ARMED FORCES MEMBERS AND FAMILY

In-state tuition rates for active duty service members and family attending public institutions: A public postsecondary school may not charge a member of the armed forces who is on active duty for a period of more than 30 days more than the school's tuition rate for residents of the state. Similarly, the service member's spouse and dependent children are entitled to the in-state tuition rate. In addition, if the service member, spouse, or dependent child pays the in-state tuition rate, the public institution must allow the person to continue to pay such a rate as long as the individual is continuously enrolled, even if there is a subsequent change in the permanent duty station of the service member to a location outside of the state.

Readmission of service members: A school must promptly readmit a service member with the same academic status as he had when last attending the school or accepted for admission to the school. This requirement applies to any student who cannot attend school due to military service.
